

Things I need to remember:

Reading books can be changed every day, if they have been read.

Children who read to someone at home 3 times per week will earn 3 Castle Coins! Please record in reading record.

Monday	Book bag with reading book and reading record
Tuesday	Book bag with reading book and reading record PE kit including trainers or plimsolls.
Wednesday	Book bag with reading book and reading record
Thursday	Book bag with reading book and reading record
Friday	Book bag with reading book and reading record

Class dates to remember

Please check the newsletter for upcoming events and dates to remember.

Homework

	Given:	Returned the following:
Monday	New Spellings	Monday (for test)
Tuesday		
Wednesday		
Thursday		
Friday	Maths	Friday

Please note additional homework linked to topic may be given, just because the children want it!

2 Issue

Learners for life...

Castle View Primary

Magic, Mystery and Mayhem

Class: Endeavour

Teacher: Mrs Tetley

Teaching Assistants: Mrs Peplow

We are learning:

Literacy *(Reading and Writing)*

Spelling and grammar: The children will be learning spelling, punctuation and grammar rules to apply to their reading and writing.

Play scripts: We will be learning a variety of tricks and optical illusions, which will be used to create and perform our end of year play.

Narrative: We will be experiencing stories based on magic and magical worlds, and creating our own stories based on this.

PSED *(Personal, Social and emotional Development)*

The school health team will be in to deliver Relationships and Sex Education (RSE).

Mathematics

We will be revising and developing our skills in the four operations: addition, subtraction, multiplication and division.

We will be exploring the properties of 2D and 3D shapes as well as area and perimeter.

Through our exploration of shapes, we will be learning about different units of measurement and how to convert between them.

Our learning will be focused on the science behind magic and optical illusions.

Communication and

Language *(Speaking and Listening)*

Each child will have a perfect partner who they will talk to during discussions, problem solving and reasoning activities, to share their ideas with before they feed back to the class.

As part of our topic, we will have a visit from a magician and learn some magic tricks.

Physical Development *(PE)*

Through practise for sports day and our 'teachers vs. Year 6' rounders game, we will be developing our track and field skills.

Expressive Arts and Design

(Art, D&T and Music)

We will be using graphics packages to layer images to create posters and invitations to advertise our school play.

Understanding of the World

(History, Geography, Science, RE, ICT)

We will be investigating how light travels and reflects into the eye to enable us to see objects. We will use our understanding of light to explore optical illusions and shadows.

We will explore how voltage effects the brightness of a lamp or the volume of a buzzer, through designing a 'Castle Views Got Talent' stage using circuits.
